## **“Sharing Life Together”**

### **Gabbing about Life (Icebreaker)**

What is your favorite meal and who makes it?

### **Reading from the Book of Life (the Bible)**

Acts 2:42-47

### **Grappling with Life’s Issues (Questions)**

There was a great deal of excitement within the Church after Pentecost. The possibilities were endless as anticipation filled the air. What are some of the key elements that this group of believers practiced?

The believers were a unified group, sharing all that they had with one another, committed to the cause. Basically nothing was off limits – food, possessions, home – it was all shared when one was in need. We live in a day where we put up fences to create separation (sometimes for good reason). What can we do today that is reflective of the early church’s generous heart and passion?

Final Thought: The early church was a visible group among their community and even enjoyed the favor of all the people (see Acts 2:47 and 5:13). The people were not afraid to identify themselves with the body of believers. In turn, the Lord added to their number daily. How can we create an atmosphere of community in which others can easily join in and share life together?

### **Praying through Life’s Challenges**

When something new starts, the possibilities are endless. Pray that God might direct you to the area where you can share life with others at The Cause Community Church.
